VOLUME XLVIII — UKIAH CITY, MENDOCINO COUNTY, CAL., FRIDAY MORNING, MAY 26, 1916 — NUMBER 33

IT HAPPENED 15 YEARS AGO

PERPETRATION OF PERPLEXING PRANK PROVES PEOPLE PERUSE PAPER

Two misplaced items in last week's Dispatch were the cause of much merriment and numerous explanations on the part of the management the past few days, and incidentally demonstrated that the Dispatch is read thoroughly from front to back by its patrons. The two were announcements of the births of sons to Joe Thomas and J. B. Sanford. The events happened 15 years ago, and through an oversight were placed among the locals instead of under the "Ukiah 25 and 15 years ago" heading.

The editor was the first to notice the error while looking over the paper after the edition was off the press. Of course the "devil" got a good "panning," for that is what we keep a "devil" for, mostly. After his "run-in with the devil the editor calmed down somewhat and began to "kid" himself into the hope that, as the items were small and inconspicuous, they would escape notice among so many other locals.

But alas and alack! They could not have attracted more attention had they been set in forty-eight point blackface. Everybody read 'em, and the telephone began to buzz, while tongues wagged excitedly far and wide about town.

But, if we were swamped, with inquiries, J. B. Sanford and wife in San Francisco were overwhelmed and borne down, as the following will testify:

San Francisco, May 22, 1916.
E. P. Thurston, Ukiah, Cal.
Dear Earl:

What's the matter now? Have you a new "devil" in the office? This is the first time I have ever registered a kick, but when you have read this letter I am sure your sense of fairness will convince you that I have just cause. Fully 90 per cent of the Mendocino colony in San Francisco have called me up on the phone to congratulate me. I have done nothing for two days except answer telephone calls of congratulation upon the advent of a Democratic boy in my home, according to last week's Dispatch.

In addition to this I have received telegrams and letters from hundreds of Mendocino county people; I did not know I had so many friends up there. If all the people that congratulated me meant it, why I could carry the county by ten thousand. But to add to all this, some of our "Exchanges" copied it and again congratulations began coming in from outside counties. It has kept two clerks busk for two days opening and reading the letters to me. About 100 friends in the Custom House marched in procession to the land office and I had to stand in line "to receive," as it were, congratulations.

This had the effect of putting some "pep" into me. I threw away both canes and have been strutting around like a turkey gobbler in spring time. I am glad to know I have some friends left, and desire to thank them for their good wishes.

But, dog gone it, Earl, I believe you did this just to show how many thousands of people read The Dispatch, especially since you started that $2000 prize contest.

Since writing the foregoing, I am in receipt of a "night letter" from J. P. Tumulty, the President's secretary, stating that President Wilson desired to congratulate me upon the advent of that Democratic boy and predicted that California would give him (Wilson) 25,000 majority next November. I wired back that all parties would nominate him in June and that his majority would be a million.

Henry Grady Sanford, who celebrated his 15th birthday on May 20th, and who was eagerly looking over the News of 15 Year Ago to see if his birth would be mentioned, said: "Why Pa, the "devil" got my birth in the wrong column.'" Nuff said.

Now, just for this, I'll turn you off and hire you over again with a 20 per cent increase in wages, on account of your "burst of speed."

All of which goes to show that the people read the Dispatch.

J. B. SANFORD.

PUT UNDER PROBATION

Frank McClendon was arrested this week for driving an automobile while intoxicated. Judge Hurley sentenced him to pay a fine of $500 and to serve six months in jail, but put him under probation.

McClendon is to behave himself for six months and not to drive an automobile in the corporate limits of Ukiah.

He is now trying to sell the car.

Ed Brown came down from Willits last Saturday, having in custody Chas. Hemming, who is serving 15 days in jail for disturbing the peace.

LILBURN GIBSON IS STAR IN DIAMOND RING EPISODE

A diamond ring on a certain young lady's finger started a rumor that Attorney Lilburn Gibson is soon to join the benedicts. Immediately a Dispatch reporter was on the job to run this choice morsel of news to earth, but alas, even reporters are out of luck sometimes. The best he could do was to find out that the young lady had made a damaging admission to a girl friend, but Attorney Gibson met the most persistent inquiries with nothing but "smiles and smiles and miles of smiles", and stated that he had nothing to say for publication.

All of his friends are extending congratulations, so it is up to him to make good.

MANY GET CERTIFICATES OF NATURALIZATION FRIDAY

A large class of applicants were examined for naturalization before Judge White last Friday. Those to whom certificates were issued and who took the oath of allegiance were Julius Kjeldsen, Fort Bragg; Armedio Lubrani, Ukiah; Laurence Filossi, Inglenook; Clarence Stanford, Talmage; Karl J. Wenberg, Fort Bragg; Kristian Nilsen, Fort Bragg; John Pedroncelli, Willits; John and Joseph Poma, Calpella; Giani Figone and Carlo Rigazzi, Willits; Antonio Cristiani, Ornbaun; Gitano Bionda, Ukiah.

STREET DANCE ARRANGED FOR SATURDAY NIGHT

The first street dance for the benefit of the Fourth of July committee will be held tomorrow evening. The music will be furnished by the band and the street will be made as perfect as possible by being swept clean and sprinkled with soapstone.

The dance will be a nickle affair, and tickets will be sold at the cigar stores of R. C. Cox, Frank Wilson and E. B. Ball & Son.

Those who like a good time should not fail to attend.

WILL CONSIDER ROAD SYSTEM

MATTER OF APPOINTING COMMITTEE WILL BE SUBMITTED TO SUPERVISORS

The matter of appointing a committee to act on the proposition of bonding the county for a better system of roads apart from the state highway will come before the board of supervisors at its meeting in June. The grand jury committee and the committee appointed by the taxpayers' association have been working on the matter and petitions have been circulated asking the supervisors to appoint the three commissioners, as provided by law, to investigate the needs of the county and make the necessary recommendation for a bond election. However, the board desires to get a more comprehensive expression of public opinion, which will give it some idea of what the people at large think of the question of bonding. For this reason a thorough discussion has been invited by the Dispatch, and is still invited. Anyone who desires to express an opinion, pro or con, is welcome to the use of our columns.

If the supervisors believe that a bond election has a chance to carry they will make provisions for it, but they do not desire to go to the expense of calling one should there be any likelihood of the people's overwhelmingly defeating it. It is for this reason they desire a full expression of public opinion.

CHIEF SANFORD ELECTED

Jas. R. Elder, J. Thomas and Oscar Hargis left last Monday for San Diego to attend the state aerie of Eagles. Chief Sanford preceded them several days. Chief telegraphed Wednesday that he had won out as national delegate for the order by a vote of 47 to 10.

This is a big majority and a fine indorsement of Chief's popularity in the Eagles.

DANCE AT CALPELLA

The Calpella baseball team will give a dance at Chase's hall, Calpella, next Saturday evening. The boys have obtained the best of music and a good time is assured all who attend. A large number from Ukiah were at the last dance given by the Calpella team and reported a good time.

RIGGS PLEADS NOT GUILTY

I. S. Riggs, who was brought back from the East several days ago to answer in the superior court to a charge of deserting his family, has engaged Preston & Preston to defend him and has entered a plea of not guilty.

His trial has been set for June 14th.

CONTESTANTS ARE LINING UP FOR THE BIG PRIZE CONTEST

TO NOMINEES

Have you been nominated in our big Voting Contest?

If you have, read this story.

If you have not been nominated, cut out the nomination coupon on page six of this issue and mail or bring it in to the Contest Manager. You will get a prize. $2,000 will be given.

The busiest place in Ukiah the past week has been the contest office of the Dispatch-Democrat. Hundreds of nominations have come in from all sections of the county. Letters and literature have been sent to all of those nominated. Of course quite a few of those nominated will not enter the race. But every active candidate that does enter will get a prize. No prize will be worth less than $10.

So far there are only about ten active candidates that the contest manager knows of. That there are a few getting busy and have not notified the contest man yet is certain.

Any candidate that wishes the help of the contest man in organizing their campaign can secure such aid if they will only communicate with the office. List of the subscribers in their section will also be sent to those that ask for them. These lists will help you get subscriptions, also you can ask those that are already subscribers to save their vote coupons for you. Get as many as you can saving votes for you, as they all count. Besides they will renew their subscriptions before the close of the contest and their votes will be a big help to you.

Remember the one that is going to drive that Chevrolet car on the last day of the contest will be the contestant that does the most persistent work and organizes the best campaign. A contest is all the world like an election. The candidate that has the most people boosting for him or her will land the big prize.

The reward of the winner will be a handsome car that is a beauty and the satisfaction of giving a fine high grade piano to some deserving organization. If you do not happen to land the big prize you will certainly get one of the other prizes. Any one of them will more than repay you for the efforts that you spend during your spare time to win. The proposition in a nut shell is just this: You are sure of getting a prize worth no less than $10; you may get one worth $15, $25, $50 or over $1,000. It depends on yourself whether you get the small prize or the car. Your chances to get the big prize are as good as any one else's. If you have not already been nominated all that you have to do is to fill out the nomination coupon that you will find in another part of this paper, mail or bring it in to the contest office. It does not cost you a cent to enter the contest. You do not have to be a subscriber either. If you are ambitious and want to make something out of your spare time during the next nine weeks get busy on getting votes. Any one will gladly help you if you only ask them. Any church, lodge, school or club will give you their support if you tell them about the contest and that you will give them the piano in case that you should win first prize.

Special Offer of Extra Votes

In order to help you get a start in the contest the management has decided to give extra votes on first subscriptions. We will give you 5000 bonus votes for each club of $5 in subscriptions. Any number of subscriptions may be used to make a club. Extra votes will be given on two clubs only to each candidate. Old or new subscriptions count on the clubs. We will also give you 2,500 votes for each relative's subscription that is turned in before the close of the offer. Relatives' subscriptions may also be used to make the clubs. This is a fine chance to get votes. Do not overlook this.

Tell your friends about the offer. They will help you if you ask them. Be sure and get those that are subscribers to the paper to save their coupons. They count 50 votes each.

MRS. PORTERFIELD MAKES STATEMENT

SAYS RUMORS OF TROUBLE ON BOARD OF EDUCATION BASELESS

Mrs. W. W. Porterfield returned last Saturday from a visit to schools on the coast, and when interviewed by a Dispatch representative regarding the rumors of trouble on the board of education, issued the following for publication:

"Mrs. Anna Porterfield, Superintendent of Schools, denies the statement made in last week's issue, in regard to there having been any trouble between the members of the Board of Education, and has the following to say about it:

"I was very much surprised to read in your last issue that the Board of Education had any unpleasant relations, as I assure you, this is false. I also wish to state that no certificates were made out after the board adjourned, and any member of the board will state, that, as Secretary of the board, I acted only in accordance with the directions of the board.

"If any applicant is dissatisfied with his or her standings, the president and secretary cheerfully requests them to appear before us, and the secretary will gladly canvas the papers with such party or parties.

"We do not understand how any honorable person could give the editor such an unfounded false statement.

ANNA PORTERFIELD,
Secretary of Board of Education."

KNIGHTS TEMPLARS' JINKS

The Knights Templars held a jinks last night, at which every one reports a good time. The affair began with a banquet of the Knights and ladies at the Palace hotel, following which the assemblage repaired to the Masonic hall. After the work of the order had been attended to a social good time was enjoyed.

EDUCATION BOARD MAY MEET HERE TOMORROW

President J. C. Hurley, of the board of education, has called a meeting of the board to be held in this city tomorrow.

When asked by a Dispatch reporter if there was likely to be action over the recent teachers' examination, Mr. Hurley stated that he did not know what might come up, that he could tell better after the meeting.

Mr. Hurley was then asked if there was any truth in the rumor that the papers of one of the applicants had been marked up.

"Wait until after our meeting," was the only answer he would vouchsafe.

Miss Gibson is to be the recipient of a shower by her many friends in the near future

FOUND DEAD IN MOUNTAIN CABIN

EMIL QUASS, GERMAN REMITTANCE MAN, PASSES AWAY WHILE ALONE

Willits, May 24—Emil Quass was found dead in his cabin seven miles north of Willits last Thursday by Wm. Weigand, who called to see him. He had evidently been dead for several days, and his death was due to natural causes. Quass has resided in this vicinity for about fifteen years and was quite a character.

Very little is known of his former history, but it is reported that he was a native of the Philippine islands and he was 70 years of age. His father was a German sea captain and his mother a Philippino. When quite young his father took him to Germany, where he received a splendid education. So far as known he never married, and his support was a remittance from Germany.

Judge Young went out Friday and held an inquest, and all the coroner's jury could decide on was what has been above stated. The remains were buried on the place.

TRAIN TIME TABLE HAS SEVERAL CHANGES

The Northwestern Pacific has arranged its time table for the summer schedule and many marked changes appear. The afternoon train south will leave here at 2:55 instead of 3:30, and the morning train will leave at 7:58 instead of 6:55. The morning northbound train will leave here at 11:44, as at present, but the evening train north will clip some from its schedule and will leave Ukiah at 7:29 instead of 7:55.

The afternoon train south will arrive in San Francisco at 7:05 instead of 8:05, and the morning train north will leave San Francisco at 7:45 instead of 7:15.

FAMOUS $100,000 DAMAGE SUIT HAS BEEN DECIDED

The famous $100,000 damage suit of Schmitt vs. Redemeyer has been settled finally, the supreme court denying the plaintiff the right to file his transcript on appeal. Attorney Robert Duncan, Redemeyer's attorney, received notification upon his return here from a business trip to Santa Rosa last Sunday.

Schmitt sued Redemeyer, charging him with having alienated the affections of Mrs. Schmitt, and asking $100,000 damages.

BIG TRANSCRIPT FINISHED

The transcript of the L. E. White company's holdings in this county has been finished and it is said to be the largest ever turned out in the state of California. It comprises 32 volumes. This work was done by Connolly & Handy.

PRESS ASS'N ENTERTAINED HERE

UKIAH SHOWS SCRIBES FROM OVER STATE THAT THIS PLACE "KNOWS HOW"

The California Press Association special, en route from San Francisco to Eureka, passed through Ukiah last Sunday morning, stopping here three-quarters of an hour to permit the members of the association to take in Ukiah and vicinity. To say that the members were well entertained is putting it mildly. Every minute from the time the train pulled in at 10:15, until it departed at 11, was cram, jam full of joy for everybody.

A large crowd of our townspeople was at the depot with automobiles to meet the editors, and immediately upon the train's arrival the Ukiah band broke out with a stirring march. The visitors began to pour out to see what was doing and immediately were kidnaped and escorted to the waiting autos and the trip over the valley was begun. Nearly all the ninety-odd visitors went for the trip, and all expressed themselves as delighted with the beauty of Ukiah and its environs. There were plenty of cars and many to spare, which testifies to the public spiritedness of our citizens.

The ladies of the civic section of the Saturday Afternoon club were out in force with ferns, smilax and garlands and baskets of flowers, both wild and tame, and ere the train left the interior was a veritable garden. The engine was banked with flowers and greenery and decorated with Ukiah penants and gay bunting, the train crew lending every effort to the aid of the fair committee who took this work in charge. People to the north certainly learned that the Press Association had been through Ukiah.

The autos finished their trip and returned in plenty of time to avoid any delay to the train crew, and amid hearty felicitations from all sides and with the inspiring strains of the band ringing out, the editors and their ladies boarded the cars and were whisked away northward.

Ukiah did herself proud, and all who contributed to the success of the reception deserve the thanks of the citizens. Among the more active ones were Mayor H. B. Smith, Trustee L. P. Anker, the ladies of the Saturday Afternoon club and the Bien Venido club.

MAYOR THANKS ALL WHO AIDED RECEPTION

To those who so generously contributed their time and otherwise assisted in making the recent visit of the California Press Association in Ukiah most pleasant I desire to express my sincere thanks and appreciation.

In the matter of securing machines in which to convey our visitors on their ride to the State Hospital and other side trips it was only necessary for our committee to suggest to the auto-owners what was wanted, and the manner in which they responded, notwithstanding many sacrificed other pre-arranged trips for the day, was surely most gratifying.

The ladies of the Saturday Afternoon club I desire to especially thank, for it was no doubt through their efforts and perfect understanding of how to handle such emergencies that it was made possible to get the best out of the situation within the short time to prepare.

The Ukiah Band deserves and received much praise for its splendid music, which was cheerfully contributed and which was one of the main features of entertainment.

The general harmonious manner in which all worked together in making this occasion a success was most commendable.

H. B. SMITH,
Mayor.

BASEBALL GAME SUNDAY WITH FORT BRAGG TEAM

The Ukiah Brownies will cross bats with the Fort Bragg aggregation next Sunday on the local diamond. The Fort Braggers have what is generally considered the strongest team in the county. They have beaten every team that has gone against them, but Ukiah has not tried conclusions with them as yet, and the local boys are looking forward with much pleasure to the prospect of batting Healon, their coast league pitcher, out of the box in the fist four innings. That is the program, at least, as it is arranged at present. After the game there may be a different story.

But the Ukiah team is going strong and is undismayed, and if the coasters get away with the game they will know they have been to a ball game.

F. A. Howland, the Redwood valley merchant, was down to the county seat on business the first of the week.

GUALALA ITEMS

Gualala, May 19—We patiently wait for the much needed rain, but are growing a bit shaky for fear we will not have it this spring. Clouds gather and we are hopeful, but alas, the north wind drives them away and we are disappointed again.

Mr. Pedotti, of Gualala, left last week for San Francisco to join his wife, who is to have another operation. She has been confined to the hospital for some weeks having quite a severe time.

Part of the trestle between Bowens Landing and Gualala, near the engine tanks, caught fire early last week, presumably by sparks from the engine. A portion of the trestle was destroyed, but the fire was extinguished before much damage was done. A crew of men soon repaired the damage and had the trestle ready for service again.

Mrs. Bowles was a caller at the Sea Side school on Thursday of last week. That is the sort of interest all parents should take in the school as they hear the pupils recite. They would be better able to judge whether it is the fault of the pupils or the teacher that the children do not advance more rapidly. Often the teacher is condemned when it is actually laziness on the part of the pupil in not mastering his lesson.

On the 13th Miss Sadie Styrus and Miss Hilda Curtis spent a pleasant evening with Miss Ruby Dodge near Bowens Landing. "Jack", our popular chauffeur, is always ready to give anyone a ride along the way, so the auto ride was a pleasure as well to these young ladies.

Mr. Little, of Fort Bragg, was a visitor down this way on the 11th. He came to put the car in order for Mr. Joe Briones, purchased last fall from the company Mr. Little represents. Dr. Pitts came down with Mr. Little from Point Arena.

Real estate is changing hands in our locality. The place owned by Mr. Bartalli, known as the Dr. Ekhart or the old Miller place, was sold last week to Mr. Prest, of Stewards Point. It sold at a very reasonable figure, $2200, including quite a large crop of hay, now almost ready to harvest. We are always ready to welcome good neighbors to our community. They are much pleased with the purchase.

A meeting was held at Fish Rock on the 14th to arrange for appointing a day to meet and clean up and repair the church and cemetery at that place. Mr. Howe, of Point Arena, is kindly furnishing shingles and Mr. David Berry is furnishing the nails for the work, which is very generous, indeed, of these gentlemen.

Rev. Alexander, the district superintendent of the Methodist church, is to have services in Gualala the 21st. Efforts are being made to interest Gualala enough to attend and get them into the church going habit again.

Our deputy assessor, Mr. Charley Reinking, of Point Arena, was in our neighborhood calling on taxpayers. His wife accompanied him on the drive down the coast last week.

Rumor has it that the shingle mill is to be built at Bourns Landing instead of up river. The heavy rains put the railroad out of commission during the winter months, so they believe they can run more steadily by hauling in a large supply of bolts in the fall, enough to keep the mill running, which we think, a very sensible conclusion. Gualala is not going to slumber on, but will yet be a booming town. Just wait and watch.

Frank Briones, of Gualala, was quite badly injured last week. He was standing on the cow-catcher of the locomotive, ready to jump off to turn the switch. His foot caught in the track. He had presence of mind enough to take hold of a bar on the locomotive and pull himself up. This no doubt saved his life, although he is badly bruised on his legs and back. Ah Bing is in his place as conductor until he is able to resume his duties again. All are thankful he escaped a sudden death.

BOONVILLE BUDGET

Boonville, May 22—The cold, windy weather still continues, with light frosts every night.

About half of the people of the valley attended the circus in Ukiah, judging from the number of automibiles, trucks and rigs that were headed in that direction.

Mrs. J. A. Rector, an old resident of this section, passed away in San Francisco and was buried in Cloverdale last week.

Mr. and Mrs. Dillingham are visiting friends and relatives in the valley.

Mrs. Irene Buck, of San Francisco, who has been visiting at the home of Mrs. Jane Burger, returned to her home last week.

Mr. and Mrs. Tom Ruddick, of Ukiah, visited with friends in the valley part of last week.

Mr. L. L. Witherell, of Con Creek, is reported to be quite sick at his home.

Mrs. Kate Rawles and family, of Calpella, is visiting friends and relatives in the valley.

The Navarro base ball team motored to Boonville last Sunday and crossed bats with the home team. They were beaten to the tune of 11 to 5.

Our union high school is gaining in favor every day. Taxpayers that were against having a high school in the valley now realize and say what a benefit it is for everyone. Especially do they realize it since six of these students recently took the teachers' examination in Ukiah and passed with a high standing, and one Miss Eloise Wallach, stood the highest in the county, her average being 92 3-100. It is hoped that we will be able to employ the same teachers for another year.

MRS. POAGE ENTERTAINS W. C. T. U. FRIDAY

The ladies of the W. C. T. U. met for their annual mothers' meeting at the beautiful home of Mrs. W. G Poage on W. Clay street last Friday afternoon.

The day happened to be warm and sunny and so many mothers turned out to this meeting that the rooms large as they are, were filled to overflowing.

A splendid program was rendered The excellent "talks" on the influence of the modern Christian mother in her home, the church, and in society are worthy of especial mention.

Dainty refreshments were served at the close of the program.

Surely those who fail to attend the meetings of the W. C. T. U. are missing something worth while.

J. W. EVERSOLE "For Quality"

Motor oil made from asphalt-base crude gives best lubrication with least carbon. Such is the testimony of motorists and experts alike. As Lieut. Bryan, U.S.N., puts it: "Oils made from the asphalt-base crudes have shown themselves to be much better adapted to motor cylinders, as far as their carbon-forming proclivities are concerned, than are paraffine-base Pennsylvania oils." Zerolene is scientifically refined from selected California crude—asphalt-base—not only made from the right crude but made right. Dealers everywhere and at service stations and agencies of the Standard Oil Company.

UKIAH HIGH SCHOOL NOTES

(By R. H. Ryder.)

The boys composing the Ukiah high school base ball team journeyed to Willits last Saturday and took on the triangular club. This redoubtable bunch of sluggers went down to defeat before our boys by a score of 5 to 4 in our favor. The Willits players will journey to Ukiah tomorrow afternoon and play a return game here. A good, lively contest is expected. The game will start at 2:30. Tickets will be 10 and 20 cents. The boys ask that a goodly number of fans be present.

The university examiner was here Monday in the person of Q. R. Macminn, of the English department of the University of California. Mr. Macminn reports himself well pleased with the quqality of work done in this school.

During the past week tests have been made in typewriting with varied results. Some of the students have proved very capable writers and have made records for themselves.

Owing to the fact that the school term is nearing to the close, Saturday sessions have been held in bookkeeping, in order that some of the slower students may catch up in their work.

Miss Loraine Basford, of Berkeley, visited school last Friday.

Joy Beck and Eleanor Thomas, both of whom have been attending the University of California, attended our lyceum program last Friday.

R. P. Chessal, of the University of Califonia Dental College, has returned here for his summer vacation.

Owing to the fact that next Tuesday is Memorial day, there will be no school.

The high school has become a good resort for queeners. Every noon the string of autos become dense in front of our gate, and the number of the fair sex that appear to greet the swains is startling, to say the least. It would seem that there must have been some prearranged meeting, perhaps.

The "K" club will give a dansant this evening for the benefit of the high school basket ball team, which it would seem is still in debt.

Although as a whole the report cards did not average up to their usual high standard this month, nevertheless there were some very good marks made. Following is the honor roll for the past month: Those who are carrying five subjects, and received five A's are, Louise Jones, Vivian Burrows and R. Ryder; those with five subjects receiving one mark less than A are, Floyd Day, Earl Toles, Ruth Geitner, Robin Gray, Zola Mankins, Lee Medcalf, Hazel Poage, Thomas Stipp and Evelyn Thomas; with one subject less than B, Marjorie Van Dyke, Lucile Cleland, Leila Gibson, Chas. Grant, Winifred Scholl, Lester Scott, Evangeline Stanley and Dorothy Thomas; those with no subject below B, Ed Ellison, Everett Ellison, Hanby Ford, Alvin German, Merle Harvey, Dorothy Handy and Veta White. As this is the next to the last time the students will have a chance to make up back standings, it stands each and everyone receiving F's to begin to work now and continue to work until the 23rd of June. There were several students this month who received a good many such marks, and unless the previous marks make up the average these students will not be allowed to receive their credits in the subjects in doubt. The seniors are now compiling a list of their completed credits, and are having the teachers O. K. the same. Unless said list is O. K.d the students will not receive their diplomas. If the back work is not made up, and if the work is not kept up until the time of the issuing of the diplomas, it will be necessary for the student whose average is not good, to take a final examination.

The diplomas which the class have chosen are to be green leather with a lining of black. This design is one of the nicest looking ones ever before produced.

During the latter part of last week the pennant denoting our championship of the N. W. L. basket ball league, arrived with due form. This pennant has been under construction since the year 1 (according to the authorities of the league) and has always "been coming". Now it is here and tacked up in the office as a memoir of the famous "16" basket ball team and as a stimulus to basket ball teams of the future.

Different periods were allowed to the respective classes last Friday in order that the garden plots might be cleaned up. Much favorable comment has been made about town, for the manner in which the school grounds have been kept this year.

Several different meetings of the senior class have been held during the past week. Mr. Schoer made a little talk on Wednesday evening and told the various students just what they might expect in regard to the making up of back work. Several of the seniors are rather doubtful of their standings, but if things go as they are going now, the whole class will undoubtedly graduate without any trouble. The class is one of the largest ever graduating from this high school, there being some 33 members of the class. Taking the class as a whole, there are more good students enrolled as seniors, than there are in any other class. Over two-thirds of the present track team, and about the same proportion of the members of the basket ball team are seniors. Although the juniors are anxious to take their places as seniors, nevertheless, we feel as if we could never do the work that the seniors have done for the school.

Reverend Breckinridge, of the Presbyterian church, lectured before the student body Thursday. Mr. Breckinridge is a very interesting talker and his address was very well taken by the students. His subject was "Making Good".

Miss Halle was absent from school Tuesday afternoon on account of illness. Evelyn Thomas, Dick Penland and Mr. Schoer took charge of her classes.

The junior English class has finished Halleck's American Literature and will next take up a few days of composition work.

Mr. Schoer spent last Friday, Saturday and Sunday visiting on the Charles Crawford ranch near Largo. He reports a fine time. While rusticating, he sheared sheep, milked cows and caught a fine buck jack rabbit.

During the next few weeks these notes will contain a little review of the work which the seniors will take up after graduating.

Since this is the last month, and since there are several students in the school who do not study at home, Mr. Schoer conceived the idea of converting the time before school and at noon into study periods for the benefit of these students. Since a good deal of visiting has gone on usually before school takes up, the students seem to have a hard time grasping the fact that they are not to talk. However, a good deal of extra time is given this way and the plan will undoubtedly bring up some of the tardy averages.

The trustees will hold a meeting next Monday evening to discuss school affairs. Mr. Schoer will find out at this meeting when a day can be given for our annual school picnic.

Beginning next Wednesday school will take up at 8.15, one period earlier. This method of procedure is to give students a chance to attend the afternoon sessions of the Chautauqua which will start Wednesday. If, after the week's entertainment is over, it is found that the students can get here at that hour, school will continue to take up at that time, until the term is over. If the number of tardy pupils increase, however, school will take up at the original time.

TALMAGE LETTER

Talmage, May 25—Dr. Robt. L. Richards returned to Talmage last Friday, after several days spent in attending a meeting of State Hospital Superintendents at Agnew, and attending to other business in the bay cities.

The State Hospital Employees Social club are planning a series of entertainments, to continue through the summer. Dancing, music, card playing and other amusements will be indulged in, and refreshments will be served to all members and friends. In fact the club is considering the advisability of financing a Talmage baseball team, either the one now organized, the Tigers, or a new team, to be composed of attendants and patients at the local hospital.

Quite an interest in baseball is being revived at the local hospital, and the boys of Talmage are now playing real ball once more. The game with Calpella, on the 14th, was a walkover for the Tigers, and the score should have shut the Calpella bunch out without a run had our boys only held up on their team work of the first few innings. But the Calpella boys took the runs in the last half of the game as easy as taking candy from a baby. The score of 17-10, in favor of Talmage, in no way represented what our boys really were capable of doing with a little better team work.

However, the Tigers redeemed themselves last Sunday on their trip to Willits, where they showed a grand exhibition of team work, and held down the Willits team to a score of 8 to 7 in Willits' favor.

"Skeet" Merritt has decided to remain at his duties with the hospital here, and will not play ball on the Willits nine this season. "Skeet" will continue to help the Ukiah Brownies this summer.

R. B. Douglas resigned his situation at the local hospital last Saturday and left here Saturday morning on a trip back to New York, where he will engage in the commission business.

George Wilbur spent last Saturday and Sunday in San Francisco on business.

"Gus" Rotheen and John Ginochio motored to Boonville Wednesday and caught a good supply of fish.

Mr. and Mrs. P. R. Fairbairn, Mr. and Mrs. Jim Davis and Mr. and Mrs. M. Fugitt enjoyed a picnic at the asylum dam Wednesday. Of course, they caught a few fish.

Mr. Walker, formerly of Agnew, commenced his duties as attendant at the local hospital Saturday.

Mr. and Mrs. Foley have secured positions at the asylum, and have arranged to stop with Dan Perkins and Jack Cobb in the old McAninch residence.

Harry Townsend will resign his hospital duties on June 1st and secure a position as barber. Harry is an expert tonsorial artist, the best north of 'Frisco, and we wish him luck.

Mr. Wager resigned his duties as assistant store keeper at the hospital Wednesday and will engage in the junk business in Ukiah.

Geo. Taylor, August West and F. A. Bates came over from Fort Bragg the first of the week on business at the courthouse.

POINT ARENA GIRLS GRADUATE

Point Arena, May 22—The light rain which fel l Monday revived drooping spirits and assured the farmers that they would have a year of plentiful crops.

Friday evening, May 26th, four young girls will receive their diplomas. The commencement exercises will be held in the opera house, and a speaker from the Berkeley university will be present to deliver the address. Those who will graduate are: Misses Lalia Bishop, Ruby Bishop, Dora Reinking and Helen Bishop. These charming young ladies will be missed greatly at high school next year.

The Point Arena Union high school gave a picnic Saturday on the beautiful Garcia river in honor of the 1916 graduating class. A large auto truck, driven by Tommie Halliday, was hired to carry the merrymakers to the river. The day was delightfully spent in fishing and eating. Towards evening the crowd returned home, tired but happy, and sorry that another such happy affair could not be indulged in this year.

A commercial department will be added to the high school next year, and also another teacher will be engaged. As a thorough business education can be obtained here next year, a large enrollment is expected.

Walter Zimmerman, a junior in our high school, is the happy possessor of a new motorcycle. It is a beauty, and a number of admiring girls are anxiously waiting for an invitation to occupy the back seat.

Saturday night something special in the line of music was given to the Point Arena people, when the group of Hawaiian singers entertained a packed house in the opera house. The music and singing was very beautiful and pleasing and held the audience spell-bound for a couple of hours. They departed the next day for Fort Bragg, where they were to give a similar concert.

Mrs. Arthur Seymour was delegated by the Companions of the Foresters to represent the order in the annual session being held in San Francisco. She left Tuesday for the meeting.

Baccalaureate services were held Sunday evening, May 21, in the Methodist church for the graduating class, by Mr. Cona. The remarks to the class were very appropriate and were rendered in a very pleasing style. District superintendent Dr. Alexander spoke a few words of advise at the end of the sermon. which were very benefiting and useful.

Mrs. Porterfield and Mrs. Thompson, the county school nurse, were visiting the schools here this week. They were accompanied by Mr. Porterfield, the son of Mrs. Porterfield.

J. C. Halliday is the proud possessor of a new Ford machine. This will be used for delivery purposes.

Miss Marguerite Cureton, the popular young school teacher of Boonville, journeyed with her base ball team to Con creek on Saturday, and there entered into a game with the Con creek Giants. After a very spirited 10-inning game the score stood 33 to 27 in favor of Con creek. A lunch was spread under the trees at noon and the youngsters had a great time. Elwood Clay and Garth Rawles were masters of ceremonies and saw that no time lagged, and their splendid band furnished music throughout the day. A return game will be played next Saturday at Boonville. Professor Frye, of the A. V. H. S., was umpire, assisted by Garth Rawles, and Forest Cureton was score keeper.

A. Grimes, of Covelo, was registered at the Palace Wednesday.

CASIMIR CHAPTER DOES SELF PROUD

GUESTS FROM WILLITS ROYALLY ENTERTAINED TUESDAY EVENING

Tuesday evening Casimir Chapter closed its season of entertaining by inviting the members of Willits' Chapter to a banquet served at 7:15 o'clock in the Palace hotel, to be followed by lodge work, and a dance in Cleland hall.

Each Casimir member having six invitations for the dance to extend, a well filled hall was expected.

Learning that the guests from Willits could not arrive in time for the banquet, that part of the entertainment was postponed for a later date.

The committee of general management, consisting of Mmes. Mattie Hutchison, Sophie Smith, Nellie Gibson, Ada Hagans, Miss Rowe and Lou Anker, together with the musical committee, Mmes. McDonald, Lynch, Miss M. Thomas, gave their best endeavors toward making it an agreeable evening.

Cleland hall was handsomely decorated, the stage being fitted up as a card room for those who preferred the quieter amusement.

Ten or more members of the order waited at the door to receive guests who could not be admitted to the ceremonies at the lodge room.

On the arrival of all members a musical program was rendered, and heartily encored.

Dancing then followed, under the management of R. Hutchison and B. Cleland, the inspiriting music of the asylum band sending currents of electricity to the toes of all within hearing.

At a side table sandwiches and cake were served, while the grotto, decorated by Mrs. Young, held punch in readiness.

The farewells of all guests were expressions of thanks for a delightful evening.

REDWOOD VALLEY'S QUOTA OF INTERESTING NEWS

Redwood Valley, May 24—J. R. Ellis came up from Alameda last Friday, and is spending a few days on his ranch here

The Ladies' Sewing Circle was entertained by Mrs. F. A. Howland May 18th. Mrs. Tom Jameson will be the hostess May 25th, and Mrs. Mary Joslin June 1st

The entertainment at Calpella Saturday night was a great success. Chase's hall was comfortably filled. Several pieces of music, both vocal and instrumental, were rendered. Then came the principal feature of the program, a comedy entitled "A Case of Suspension." All the characters did their parts well. Walter Andrews, as Professor Edgerton, was especially good. Irene Cromwell sustained the difficult role of Kathleen, an Irish maid, nicely. Besides coaching the play, Miss Nora Chaffee was very good as a school girl. Mr. and Mrs. Hetrick, Mrs. White, Mrs. Fancher and Miss Chaffee helped make the entertainment a success with their music. After the program Jim McFarland, in his matchless style, auctioned off the baskets. The boys went after them like hungry trout. Ice cream and cake were sold for the benefit of those who did not get baskets. After supper the floor was cleared and dancing indulged in for two or three hours. Will Orr and A. O. Boyd furnished the music. When the girls counted their up their money they found they had taken in nearly $30 from the door, sale of baskets and the ice cream and cake. This exceeded their fondest expectations.

Victor Henley, superintedent of the manganese mines, spent Sunday with his family in Cloverdale.

Mrs. Mary Howard expects to take her son Ray to San Francisco this week, where he will be operated on for adenoids, and also have his tonsils removed.

George Bruesh died in Ukiah and was buried Monday at the local cemetery.

J. C. Boyd and son, A. O. Boyd, went to Santa Rosa the first of the week on business.

The social club gave its regular entertainment at the Forsythe school house Saturday night. C. A. Bernhard, secretary of the Farmers' club, addressed the meeting on co-operation, and the Farmers' club and its problems. He made a plea to the people to support the club, as their support was needed if the club was to continue in business. After Mr. Bernhard's talk a program was rendered. The judges of the debate decided that we should intervene in Mexico. Fred Yates was chairman of the evening. The next social will be June 3rd. Lee Riggs will have charge of the meeting.

Frank Laughlin returned to his home at Mark West last week after spending some time on his sheep ranch here.

The Calpella baseball boys will give another dance at Calpella Saturday night, the proceeds to be used in purchasing baseball equipment.

The Calpella boys won their game from the Dunsing Stars of Ukiah last Sunday. The score was 10 to 7. The same teams will meet again on the local diamond next Sunday.

Felix Cassabone is erecting a tower and tank on his ranch.

The auto buses are plying between Ukiah and Willits again.

A company of U. S. soldiers from Vancouver, Washington, are camping on the Magneson ranch. They are engaged in preparing military maps of this section.

The road to the new manganese mine is completed. The teams resumed hauling Wednesday.

E. P. Wuensch will leave for San Francisco the latter part of the week.

Andy Cross and family will move to Laughlin, where he will work on the section.

Bob Tindall left the first of the week for the Ridgewood ranch, where he has secured employment.

Mrs. J. R. Banks has returned home after an extended visit.

Frank Howland reports business good with him.

William Hetrick and H. Mercer are employed in Ukiah at carpenter work.

Mrs. R. Kenny, who has been visiting at Mrs. Gus Page's, has returned to her home at Sausalito.

George Carter and wife, Charley Carter and Walter Carter all came up from Tracy last week and are visiting their relatives here.

Dr. Liftchild operated on Irene Cromwell Wednesday morning for a chalazion of the eye. The operation was successful.

O. P. Wells and John Poma motored to Ukiah Wednesday.

CHEETHAM TURNED LOOSE

A. P. Cheetham, who was brought down from Eureka the latter part of last week by Deputy Sheriff Ganter on a charge of deserting his wife, had his preliminary in the justice court before Judge Hurley last Saturday. Cheetham's wife, after instigating his arrest and return, refused to prosecute and he was turned loose.

Season Tickets Are Popular

More Than Two-thirds of Chautauqua Patrons Expected to Buy Season Tickets

PEOPLE are beginning to realize more and more that there is but one way to attend Chautauqua, and that is to attend every day and see every program presented. The programs are all of such uniform quality that to miss one is to miss a part of a good program that is only available once a year.

And to attend Chautauqua economically one should be a season ticket holder. No department store ever offered such a bargain as the season ticket to Chautauqua gives to the Chautauqua patron. You can attend the programs at the rate of about 10 cents each if you hold a season ticket, while if you bought single admission tickets to the Chautauqua at the gate you would have to pay more than $6 for your week's entertainment. It is probably worth the $6, all right, but when a season ticket can be bought for less than half it seems to be folly to spend more. Economy is the watchword of today.

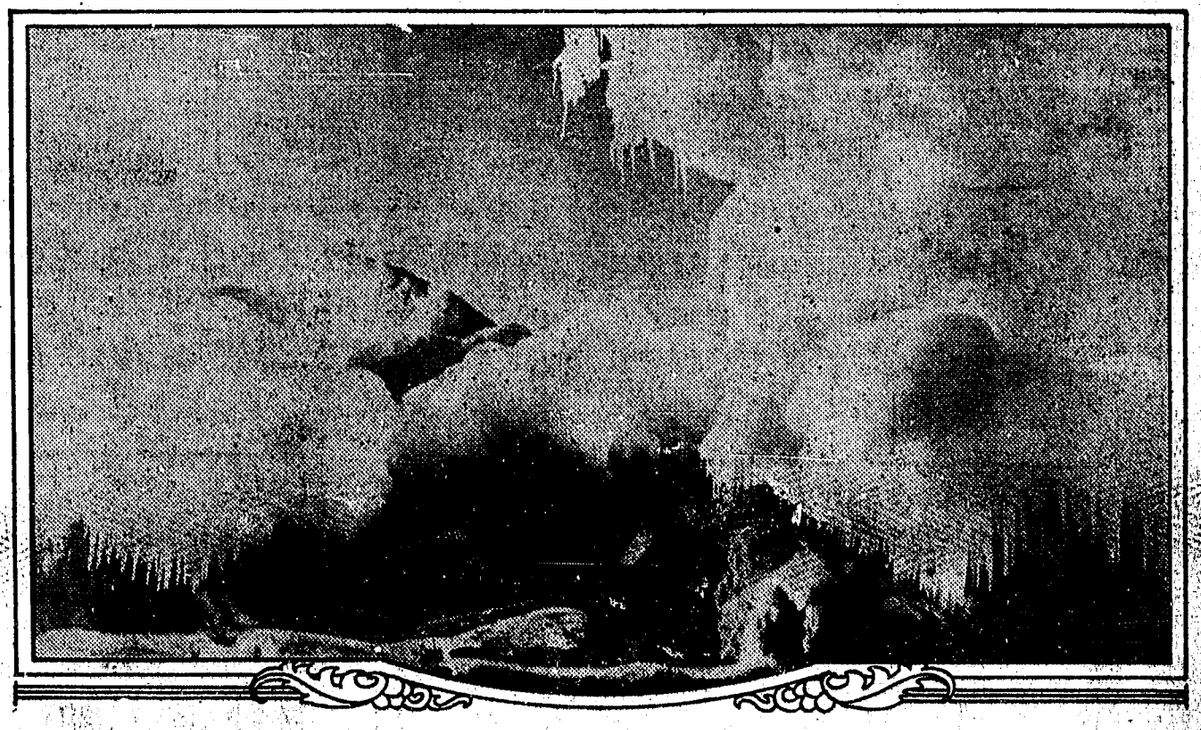
It is expected that more than two-thirds of those who attend Chautauqua this year will be holders of season tickets. Season tickets are becoming popular, and as anti-pocketbook flatteners they cannot be beat.

CHICAGO ARTISTS TO APPEAR ON CHAUTAUQUA

MISS ALICE WRIGHT BAKER, pianist and accompanist, and Miss Mary Welch, soprano, both of the Skibinsky Trio, which comes to the Chautauqua, are two artists who as a concert instrumental and vocal duo have met with wide success in the principal music centers of America. Alexander von Skibinsky, the renowned Russian violinist, was so attracted by the splendid quality of their work and the enthusiastic appreciation shown them in Chicago, where he heard them several times, that he was influenced to engage them to appear jointly with him. Each one of the members of this trio has individually been considered a star attraction. The combination is immense.

Moving Pictures of Land of Ice And Snow to Be Shown at Chautauqua

Sir Douglas Mawson's Moving Pictures of Adelie Land In the Antarctic Are Wonderful Gems of Photography



SIR DOUGLAS MAWSON'S marvelous motion pictures, which are to be shown at the Chautauqua, show some of the world's wildest wonders. Bird, animal and deep sea life in great variety, towering cliffs, mammoth icebergs and blinding blizzards follow each other upon the screen in such a riot of indescribable display that they fairly stagger the imagination.

The pictures show hundreds of seals, sea elephants, sea leopards, whales, cormorants, skua gulls, penguins and petrels; showing many varieties of each, old and young; showing them in the water and out of it; showing their rookeries, their feeding places and their habits; showing them basking cozily on the ice or tossed by raging seas or blizzards. Many of these pictures were taken at a distance of a few feet, and they far surpass in beauty and technique any similar pictures ever taken.

The gambols of the most eccentric of all polar animals, the penguins, half fish and half bird, who walk erect like human beings and at a distance resemble awkward children, provoke continuous merriment.

For real movie thrills these pictures would be hard to beat, and, best of all, they are not fictitious, but true.

UKIAH BASEBALL TEAM WINS AGAIN

In a game featured by a high gusty wind, errors by Mendocino, and Van Dyke's pitching, the home guard took Mendocino into camp to the tune of 9 to 1 Sunday on the local lot. Mendocino's bunch evidently are not accustomed to the brand of zephyrs that caper through our valley, for at critical periods of the game whole bunches of real estate would get into their peepers, with the result that they would fumble short bingles, muff easy throws and throw the ball all over the lot. A goodly crowd of fans of both sexes were there to see their idol, Van, fan 15 of the enemy bunch. Van always came through in one, two, three order with the breeze stuff whenever Mendocino looked formidable, which happened twice, once in the sixth and again in the eighth.

Chambers, of Mendocino,, was the hitting sensation, he having garnered two 2-baggers and one single off Van's offerings.

Patton pitched fair ball, but costly errors on the part of his support were responsible for the big score. Only eight hits were registered off his delivery during the afternoon, scattered over the eight sessions that the home team swung at the ball. Five strike-outs, one walk and one hit batter tells thestory of his efforts.

Van struck out 15, walked 2, and gave 8 scattered hits. Five errors by the home bunch only contributed one run. The batteries were Patton and Hintzell, of Mendocino; Van Dyke and Dooley, Ukiah. Scarry, umpire.

The Game By Innings:

Chambers, the first man up for Mendocino, went out on a short infield hit. Anderson met the ball fair for what looked like a long center field fly, but the wind pulled it into the infield. Davidson, who had made a long run from center, misjudged it and let it go through his hands, bringing Anderson up on first. He stole second, and reached third on Ruddick's error. Hintzell and Silva obligingly fanned at this juncture. .

Merrit, for Ukiah, got on base on a short drive to Chambers, who muffed. Bauer fouled out. Merrit went to second on Davidson's short infield out. E. Ruddick's anatomy and the ball collided, giving him first base. He stole second, while Merrit pilfered the third bag. L. Ruddick came through with a bingle, scoring Merritt and sending E. Ruddick to third. Dooley went out on a short infield hit. Result, one run and one hit.

Second Frame

Van retired Mendocino one, two, three in the next session. Gorden fanned. Hurley and Bettencourt went out on infield hits. No hits, runs or errors. Van Dyke went out to Patton. Ball singled, went to second on Eilers' sacrifice, went to third on Frazier's and Hentzell's error handling Merrit's infield connection. Bauer fanned. No run, 1 hit, 2 errors.

Session Three—Frazier singled, stole second and went to third on Bauer's error. Patton fanned, Chambers fanned, Anderson went out on infield hit. One error and no run. Davidson singled, stole second. E. Ruddick flied out. L. Ruddick was out on a short infield hit, Davidson going to third. Dooley fanned.

Fourth Inning—Hentzell and Silva fanned, Gordon popped out. Van Dyke singled, Ball flew out to Hentzell, Van going to second on Hentzell's error. Eilers' high fly was muffed by Frazier. Merritt popped one in the air to Frazier, who shot the ball to Anderson, catching Van for the only double play in the game.

Mendocino Gets One

In the fifth Hurley went out on an infield hit. Bettencourt followed suit.. Frazier singled, stole second, went to third on Eilers' error, scoring on an error by Dooley, who threw the ball low to Merritt. Patten lifted a high one to the right field, which retired the side with one run, one hit and two errors.

Bauer, up for Ukiah, got to first on Hurley's error, stole second while Davidson fanned and E. Ruddick went the same route. L. Ruddick got to first base on an error by Hurley again, while Bauer romped home. Dooley laid a wee one down to the first baseman for the third out. One run, no hit and two errors.

Mendocino Going Strong

In the sixth session the coasters started out to put the game in cold storage. Chambers lined out a two bagger, went to third on Anderson's single. Hentzel popped out. Anderson went to second on fielder's choice of Silva's sacrifice. Gorden fanned, snuffing hopes of Mendocino scoring. No run or error and two hits.

Ukiah retired one, two, three. Van hit to the infield, Ball sent a high fly to the right field and Eilers batted a short infield. No run, hit nor error.

Ukiah Starts

Hurley, in the seventh, singled. Bettencourt went out on fielder's choice, sending Hurley to second. Frazier and Patton breezed. One hit, no run, no error.

Merritt, for Ukiah, popped one to third for an out. Anderson started the fire-works by an error on a grounder to short by Bauer, who stole second. Davidson laid down a nice single, scoring Bauer. E. Ruddick came through with a two-bagger that scored Davidson. L. Ruddick made two bags out of a single and an error by Frazier, which scored E. Ruddick. Dooley stopped the slaughter by going out on a short hit, Van doing likewise. Two hits and two errors notted the home bunch three runs.

Ukiah Breaks Up Game

In the eighth Chambers again started what looked like a rally with a beaut of a two-bagger that, but for the wind, should have netted three sacks. Anderson, the next man up, was walked by the foxy Van. He immediately repaid this generosity by stealing second. Van proved that when he is in a hole he is invincible by fanning Hentzell and Silva, walking Gorden, filling the bags, and fanning Hurley for the third out, dashing any hopes that the coasters had of being contenders.

The home bunch, by way of rubbing it in this session, garenred four tallies. It all happened this way: Ball singled, stole second; Eilers fanned; Merritt went out on an infield hit, sending Ball to third, from where he stole the home plate. Bauer walked, stole second and third. Davidson was presented with a pass to first on Chamber's error, which was the permission granted Bauer to hang up the second tally. E. Ruddick singled, scoring Davidson from second. He stole and made the circuit on Frazier's error, which also placed L. Ruddick on first. The curtain was drawn when L. Ruddick got nabbed pilfering the keystone bag. Two hits and two errors hung up a 4 for Ukiah.

In the first half of the ninth Bettencourt and Frazier could connect with nothing more substantial than air. Patten singled. Chambers singled. Anderson got first base. With two out and three on base Hentzell lifted a high fly that landed square in a fielder's mit. No run, two hits, no errors.

ANDERSON HIGH IS EFFICIENT

A LETTER FROM THE ANDERSON VALLEY UNION HIGH SCHOOL

Not long since the pros and cons of establishing a high school in Hopland were discussed in the local papers. One writer from Ukiah made some reference to the inefficiency and inadequacy of the smaller high schools of the county and referred especially to the Anderson Valley Union high school.

We felt that the gentleman was not familiar with the conditions or facts in the case, and since we were not a party to the contention, we remained silent. However, we thought that Hopland should have a high school and that every boy and girl there should have the right to a secondary education in his home town.

Few can afford to send their children to a high school in a neighboring town. Class education is developed in this way, which is contrary to the scheme and purpose of the educational system of the State of California. We delayed answering the gentleman from Ukiah until we had an opportunity to measure ourselves with the high schools of the state, and especially of the county. It came in due time and we are answering. We admit that our roofs are shakes, not tiles, our building is rough board and not painted. We do not almit, however, that fine buildings and elaborate equipments make a good school. Remember it was said that if John Hopkins were at one end of the log and a student at the other the whole would constitute a university.

We have four just such teachers as John Hopkins. Our valley is our laboratory, and, let me tell you, that it is extensively used. The forest, soil, orchards, geological formation, cattle, sheep, hogs, crops, roads, economic conditions, and social conditions all form topics of consideration in our high school. We find this laboratory wonderfully useful and delightfully interesting

Our physical, chemical and botanical laboratories are more than adequate, so says the university examiner, although we carry all the needed water in buckets and generate electricity with cumbersome batteries. Our graduates are matriculated to the university without examination

To the recent county teachers' examination we sent six of our senior class. We might have sent nine. Six teachers' certificates were mailed to Boonville last week, and on looking carefully over them we find Miss Eloise Wallach ranking number one, Miss Ella Eten number two, and Miss Pauline Whiting number three, with Ernest Rawles five, some Ukiah student four, and then again we got numbers seven and eight.

We note in the high school correspondence from Ukiah that their students ranked highest, but we believe that the reporter was enthusiastic but not accurate about the information given.

The two university examiners had nothing but praise for the work done in our school, and in public took the opportunity to say so.

Again, we started with but a handful of students, and now our register can show fifty-two; our "average daily attendance" showing an increase of one hundred per cent over last year.

Come over to see our educational plant. You will like us and I am sure you will be entertained as well as informed. It will be found that it is paying a surprising interest on the money invested. Best of all, higher education is obtained by 90 per cent of the young people of the community, who could not otherwise afford to get it. Everybody goes to school over here. Our school is our pride, but none too proud to go to school,, if he has the time to spare.

Yes, parents of Hopland, you should have a high school. It is your right. Your boys and girls, at the critical period of life, should have the privilege of a high school education, and live under the influence of the home while acquiring it. Sending them away to board, while attending high school, or even sending them daily by train is too hazardous. They are too valuable to the state and too precious to you to be exposed to the dangers arising from such conditions. You can have a high school if you want it. You should have it. Your children need the education, in fact, we think you owe it to them.

We find maintaining our high school is cheaper and safer than sending our children away. We have the pleasure of having them at home, and we know of no happiness greater than that.

We are not very well off, still we do not find the high school a burden. Taxes come twice a year, and we are usually prepared to meet them. Were our young folks away, it would mean a check monthly, and you know how hard that would be to meet.

The high school belongs to all of us. We have a common interest. Its welfare is our concern. It has brought us closely together, and its influence on the community for good is not to be measured

We shall have fourteen graduates at the end of this year, considering five hundred dollars per student per annum, if we sent them away it would have cost fourteen thousand dollars, and the money would be lost to the community. Besides, seventy other students have had the privilege of higher education, whom we could not have sent away.

Visit us, profit by our experience and we are sure Hopland will have a high school.

UKIAH, CALIFORNIA, FRIDAY, MAY 26, 1916.

The House of Representatives Saturday passed the Alexander Ship Purchase bill by a vote of 211 to 161. This establishes a shipping board and a $50,000,000 government corporation to build and operate ships under the American flag.

Eleven Republicans favored the bill, including Nolan of California. Congressman Kent also voted for the passage of the bill.

SEAWELL GIVES DECISION IN AUTO DIMMER CASE

HOLDS THAT BANKER FULLY COMPLIED WITH NECESSARY CONDITIONS

Judge Seawell, of Sonoma county, has decided the Banker dimmer case from Cloverdale. He has reversed the decision of Justice Ornbaun, who held that the law was conflicting and insufficient, and has ordered Banker discharged.

Atty. Kasch, representing Banker, and District Attorney Lea, had agreed upon the facts in the case. It was stipulated that the defendant had tilted the lights of his auto so that the center rays struck the ground within 60 feet of the front of his machine. Inasmuch as the law says not more than 75 feet, the defendant claimed full compliance with the law.

Judge Seawell says that the statute is "plainly clear." His decision reads in part as follows:

When, however, the legislature attempts to regulate the use of quasi-searchlights by automobiles and specifically prescribes the manner of use the legislature cannot do more than to give effect to the plain terms of the language employed. The legislature, as it had a right to do, has said by unequivocal terms that when the lights of an automobile are directed that the center rays strike the ground at a distance of not to exceed 75 feet from the front of such vehicle it is a lawful use of said highway, and no one may be punished for doing precisely what the legislature permits. The court has no right to challenge the judgment of the legislature nor to legislate where it has failed to do so.

This is not a case of uncertainty as to what the legislature intended to say. The language is painfully clear and certain. Whether the act accomplishes the purpose for which it was enacted may be a matter of regret, but that does not make it a matter of statutory construction.

No doubt there is an urgent demand for strict regulations controlling the use of lamps used by operators of modern vehicles. The use of the highway does not fall short of criminal carelessness and a disregard of life and limb. The court in this case is dealing merely with the particular feature presented to it. It is not intended by what is here said to encourage carelessness. * * * Doubtless the civil law that already obtains would hold one civilly liable for an injury caused or superinduced by a light so blinding that the victim was unable to intelligently direct his course out of a perilous position. Indeed, it would seem that subdivision 2 of section 192 of the penal code should have a deterrent effect upon those who are recklessly inclined. Its provisions are that the killing of a human being in the commission of a lawful act which might produce death in an unlawful manner or without the caution and circumspection is manslaughter—a provision of our penal code which should be more frequently resorted to by the law officers of the state. In this case, however, the defendant, not having violated any express provision of the statute, as appears from the statement of facts presented, it is the judgment of the court that he be acquitted and discharged.

WHO'S GOING TO NATIONAL CONVENTION?

The California delegation to the Democratic national convention to be held at St. Louis, Mo., June 14, 1916, will assemble at San Francisco and proceed to St. Louis in a special train, as has been the custom in the past.

The train will leave San Francisco Thursday, June 8th, and it is the hope of the committee that a large body of Democrats accompany this party.

The rate is $70 for the round trip; sleeper $12.50 lower, and $10 upper. If persons desiring to go on this special will communicate with W. W. Bedford, secretary of the delegation, he will make such reservations as may be necessary and supply all data concerning the trip.

James Eddie came down from Potter valley on business Wednesday.

J. C. Boyd, of Middle Ridge, near Albion, was in Ukiah this week on business at the courthouse.

LOCAL DELEGATES HOME FROM BANKERS' CONVENTION

WET AND DRY ISSUE DODGED WHEN RESOLUTION COM. MAKES REPORT

Judge Mannon and wife and Mr. and Mrs. Wm. Bromley returned the first of the week from Fresno, whither they went to attend the state bankers' convention.

The convention refused to take a stand for or against the wine industry. When the resolutions committee reported the chairman sailed along beautifully, as far as interruptions were concerned, until he reached resolution No. 4. This was a briefly-worded resolution, as follows:

"Be is resolved, That the California Bankers' Association is unalterably opposed to any legislation which will injure the viticultural industry, or any similar industry in the state."

There were many speakers on both sides who offered arguments for and against it.

John B. Coultson, of Pasadena, made an amendment to the amendments that had been flying around. He took neither one side nor the other, but simply stated that it was a matter that could not properly be brought before the convention for action. Coulton's amendment evidently satisfied both sides, as each realized that the other could not win without a struggle. Coultson's amendment was carried. Anderson moved that Amendment No. 4 be stricken from the report of the Resolutions Committee.

UKIAH NIGHT AT VICHY NEXT MONDAY

POPULAR RESORT A LIVELY PLACE DURING PAST FEW WEEKS

Bob Jones, proprietor of Vichy springs resort, announces his grand opening for next Monday evening. It will be Ukiah night and Bob is planning a big affair with a real banquet and a dance. The good music for which Vichy has become famous will be there, and everything possible will be done to make it a party to be long remembered.

Ukiah people should turn out well to this affair and show in a manner their appreciation of the fine advertising that Bob Jones has been giving this section of late. Under his energetic management the resort has been widely advertised. Two weeks ago he held an opening for his San Francisco patrons and had 82 here from the city. Last Saturday was the Northern California hotel men's day, and there were 52 hotels represented, with 142 in attendance. All the leading hotels were represented.

Saturday night the visitors were given a big barbecue dinner, folowed by dancing. Sunday morning they enjoyed the baths and plunge, and afterward were the guests of Frank Sandelin at the Palace hotel, where they were served a luncheon that was a great credit to Sandelin.

This meeting was of great importance to the county. It was the first time it was ever held north of San Francisco, and it brought men who represent all the leading hotel interests north of Tehachapi, including Fresno, Merced, Stockton, Sacramento, San Francisco and many other cities. Their eyes were opened to the wealth and beauty of our county, and many of them who had never been in this part of the state before expressed their intention of returning often.

The meeting amalgamated the big hotels of the state and the "Loop the Loop" association for future work for good roads and publicity.

A number of resorts were represented, among them being Boyes Springs, Mark West Springs, Skaggs, McGrays Laurel Dell, Adams, Bartlett, Seiglers, Hobergs, Harbin, Calistoga Hot Springs, Napa Soda Springs, and others.

SPECIAL RATES ON R. R. FOR MEMORIAL DAY

The Northwestern Pacific announces special rates to apply over its lines for Memorial day. On that day the Sunday rates will apply, and in addition to this the railroad further announces that the Saturday to Monday rate will extend from Saturday until Tuesday—Memorial day. This is a very liberal action on the part of the railroad, and doubtless a number will avail themselves of the reductions.

GIRL VACQUERO SUFFERS WHEN HORSE FALLS

Sunday morning Miss Nellie Mason of Willits, met with a painful accident while assisting J. L. Felton drive some cattle on the Tomki grade. The horse she was riding slipped and fell, and in doing so fell on her foot and broke it in the instep. She was taken to Willits and Dr. Woelffel reduced the fracture.

Ralph Chessall is home from San Francisco for the summer vacation.

JOE HARRIS CASTS HAT INTO SUPERVISOR RING

INCUMBENT ANNOUNCES CANDIDACY FOR SECOND TERM FROM FIRST DISTRICT

Supervisor J. W. Harris was up from Hopland yesterday and announces that his hat is in the supervisoral ring. His announcement will be found elsewhere in the Dispatch.

Mr. Harris has been supervisor of the First District for the past term and his friends have urged him to get into the fight for another term. During his incumbency he has done much for the district and they believe that one good term deserves another.

He has had an active part in all deliberations, and has at all times tried to do the best for the taxpayers. He will make a strong candidate.

CULTUS CLUB CLOSES ACTIVITY FOR YEAR

MISS ALICE LAMB ENTERTAINS THURSDAY EVENING OF LAST WEEK

A most interesting meeting of the Cultus club was held Thursday evening at the Lamb residence on North State street, Miss Alice Lamb acting as hostess. The president, Mrs. Janet Hale, presided.

As the guests were ushered into the large living room the sight of the cheery fire made them feel both genial and pleasant, and the feeling was but a forecast of what the meeting to follow was to be.

The entire business was transacted; the treasurer's report showed a good "size nest egg" on hand with which to begin the next club year. The members expressed themselves as being well pleased with the program presented this past year.

The last business of the evening was the election and installation of the new officers for the coming year, as follows:

President, Mrs. Elma Thomas; first vice-president, Mrs. Dr. Lena Hansen; second vice-president, Mrs. Lucy Seawell; secretary, Mrs. Mary B. Templeton; treasurer, Freda Joseph.

Is your cigarette *sensible?*

All we say is this—make sure your steady cigarette is *sensible*, whether it is Fatima or some other one.

Is it *cool* and friendly to your throat and tongue? Does it leave you feeling O.K. after a long day of smoking?

Fatimas certainly make good on these two points.

The only question is—will they just suit *your* individual taste? They may or they may not. But it seems reasonable that they *should*, for they outsell any other cigarette costing over 5c.

So you ought to try them. Do that today.
